A PRIVATE OFFICE FOR YOUR FOUNDERS. A PERK YOUR WHOLE TEAM WILL USE.

One company membership. Your directors get Sue and the private office our members have trusted for more than 30 years. Your staff get the tickets and holidays they would never find on their own. You get people who stay.

Priced by headcount | Live in a week | Nothing for HR to run

AT A GLANCE

CORPORATE CONCIERGE. ON ONE PAGE.

Everything a busy reader needs, in one look. The pages that follow give the detail.

WHAT IT IS	One company membership with two levels of service: a private office for founders and directors, and a staff desk for everyone else.
DIRECTORS GET	Sue personally. Travel, villas, private aviation and yachts; the impossible table and the sold-out ticket; milestones and family. Answered within the hour, 8am to 8pm.
STAFF GET	Event and concert tickets at discounted rates where we can get them, and holidays over £5,000 planned and booked for them.
HR DOES	Nothing to administer. We launch it, staff ask us directly, and you get a quarterly summary. Never who asked for what.
WHAT IT COSTS	One fixed annual fee, set by your headcount and the number of directors using the private office.
WITHOUT MEMBERSHIP	Directors can use us one request at a time: 7% up to £1,000, 6% to £5,000, 5% above, minimum £250.

FOUNDERS AND DIRECTORS

The private office

Anything their life needs, handled by Sue personally.

- **Travel, done properly.** Villas, private aviation and crewed yachts, checked by us first.
- **The impossible table** and the sold-out ticket.
- **Milestones and family.** Surprise fiftieths, and a specialist appointment for a parent with someone to take them.
- **Discretion, signed.** An NDA as standard.

EVERY MEMBER OF STAFF

The staff desk

Two things people really value, done by real people. Staff pay for what they book. The company pays for the service.

- **Event and concert tickets.** The shows, gigs and fixtures they want, at discounted rates where we can get them.
- **Holidays over £5,000, booked for them.** Planned and booked through our licensed travel partner.
- **Private by default.** We never tell the company who asked for what.
- **One way to ask.** A message or an email, answered by the next working day.

WHAT IT MEANS FOR YOU. IN PLAIN WORDS.

IF YOU RUN THE BUSINESS

Your time back. The evenings and weekends spent booking and chasing go to Sue.

Keep your best people. A benefit they use costs far less than replacing one of them.

One supplier for thank-yous too. Client trips and hospitality through the same people.

One fixed annual fee. Set by the size of your business.

IF YOU RUN HR

Nothing to administer. We launch it and handle every booking.

A perk people actually use. Tickets and big holidays, not another discount portal.

Privacy built in. A quarterly summary of use, never who asked for what.

Simple to explain. Two levels of service, one line in your benefits pack. Check the tax treatment with your accountant before launch.
